

## RESPONSIBLE CARE

### CHIEF EXECUTIVE' S COMMITMENT

- The company is committed to the Eight Guiding Principles of Responsible Care as follows:
  - Conform to all legal regulations and requirements and operate in accordance with both government and industry codes of practice and guidance associated with their activities.
  - Ensure that their activities do not present an unacceptable level of risk to employees, contractors, customers, the public or the environment.
  - Have written documentation covering their activities, and ensure that their health, safety, and environmental policies reflect their commitment to Responsible Care as an integral part of their business strategy.
  - Provide relevant health, safety and environmental information on company products and activities to employees, contractors, customers, statutory bodies, and the public.
  - Ensure that all employees are aware of their commitment and provide the training necessary to enable them to be involved in the achievement of health, safety, and environmental objectives.
  - Establish and maintain an appropriate emergency response system.
  - Support and participate in activities that will improve the quality of their own operations and strengthen health, safety and environmental consciousness and awareness.
  - Maintain an awareness of and respond to community concerns that relate to their activities.
  
- In addition, the company commits to:
  - Annually report the performance indicators
  - Complete within two years the Third-Party verification of the company's RC program
  - Use the RC logo in according to the rules.
  - Appoint a Responsible Care Coordinator
